I, Tait R. Swanson, hereby declare as follows:

1. I am an attorney at Fletcher Yoder and an attorney of record of the above-referenced application.

2. My residence and business addresses are set forth below, along with my signature.

3. Upon information and belief, Fletcher Yoder, in cooperation with the inventors of record, acted with due diligence to reduce to practice the subject matter disclosed and claimed in the above-referenced application from conception at least as early as May 4, 2000, to reduction to practice at least as early as August 16, 2000. This due diligence is evidenced by billing records maintained in the ordinary course of business by Fletcher Yoder. A redacted copy of billing records pertaining to the above-referenced patent application is provided herewith as Exhibit D. Specifically, Exhibit D illustrates some of the efforts undertaken

between May 2000 and August 2000 by Fletcher Yoder to constructively reduce the claimed subject matter to practice. Notably, the client identification code "COMP:0080" corresponds to the above-referenced patent application. Further, entries by timekeepers "1" and "4" listed in the third column of Exhibit D reflect work performed by attorneys Ralph A. Graham and Robert A. Van Someren, respectively, to prepare and file the above-identified patent application.

I declare further that all statements made herein are of my own knowledge, are true and that all statements made on information and belief are believed to be true, and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.
